

# Check your employees for corona Accommodation

## KEEP THE CORONAVIRUS OUT!

*If a new employee arrives at the corporate accommodation, ask him the following health-related questions before admitting him.*

*Keep this completed questionnaire for one month. The municipal health service may use it for contact tracing.*

### Ask your employee the following questions:

■ ***Did you suffer from one or more of these symptoms during the past 24 hours?***

- coughing
- cold symptoms
- temperature or fever
- tightness of the chest
- loss of smell and/or tastes

- no
- yes

■ ***Does one of your household members currently have a fever and/or tightness of the chest?***

- no
- yes

■ ***Did you have the coronavirus and was this confirmed during the past seven days (in a lab)?***

- no
- yes

■ ***Do you have a family or household member who has the coronavirus? Were you in contact with him during the past 14 days while he had symptoms??***

- no
- yes

■ ***Are you in quarantine because you were in direct contact with a person who has been diagnosed with the coronavirus?***

- no
- yes

---

***If the new employee answered any of these questions with 'yes', do not admit him to your corporate accommodation. He has to stay at home and ask for a test via 0800 1202***

**Write down the following details:**

date and time

---

employee's name

---

- all questions answered with 'no'
- one or more questions answered with 'yes'
  - The employee has not been admitted to the corporate accommodation.
  - The employee has to stay at home and ask for a test via 0800 1202.
